Important Updates on the TCSU automatic approval process

- You can help the C-ID office by checking the **accuracy** of your courses that have been automatically granted a C-ID number due to the “grandfathering” of the TCSU approvals; we have found cases where these course numbers have been revised in the past few years since the TCSU number was initially granted.
- Please check all of your approved courses listed on the C-ID website for accuracy and e-mail Pam at pam@c-id.net if you find courses that need to be updated/corrected.
- Any TCSU granted courses that are more than 5 years old at the time they are submitted to C-ID for review **WILL NOT** receive automatic approval and must be submitted via the regular C-ID review process.

Reminder: AO Course Submission Training Power Point now available

- On the C-ID website at the **AO portal**
- At the CIAC website under **Resources**
- A reminder that the AO portal on the website also contains a “**Guide to Submitting Course Outlines for Review**”

C-ID Catalog language – available soon
