

Course Identification Numbering System (C-ID)

February 2011 – Articulation Officer Update

DESCRIPTOR BASED ARTICULATION UPDATE

- Proposals for descriptor-based articulation were sent to CSU campuses and Independent Colleges and Universities in January.
- At present, the following CSU campus faculty have articulated with C-ID descriptors for **Communication Studies, Geology, and/or Sociology: Channel Islands, Chico, Long Beach, and San Bernardino**
- Independent Colleges/Universities which have articulated with these descriptors include: **National University, Whittier College, and William Jessup University**
- COMING SOON TO c-id.net.** A catalog of courses articulated with C-ID descriptors.

TMC Update:

- The first finalized Transfer Model Curricula (TMC) are now available in: **Communication Studies, Psychology, and Sociology.** Faculty from the CCCs and CSUs drafted and vetted these first TMC in response to SB 1440.
- Following closely behind these majors are others in various stages of development. Group 2 TMC are **Administration of Justice/Criminal Justice, Kinesiology/Physical Education, and Mathematics.**

DIG(Discipline Input Group) REGISTRATION NUMBERS STRONG

- At present, CID has **150 faculty** registered in the North; **167 faculty** registered in the South
- Registered **Articulation Officers** in the **North** = 14 (9 CCC/5 CSU); in the **South** = 22 (22 CCC)

Locations and dates of the **Spring 2011** meetings:

NORTH - February 25, 2011

San Jose Doubletree Hotel
2050 Gateway Place San Jose, CA
(408) 453-4000

- For March 11, 2011 - please go to <http://tinyurl.com/March11Registration>

Did you know that there is an AO page on the C-ID website? It provides links to the monthly updates and soon will include the link to the CSU LDTP Descriptor Comparisons with the CID Descriptors

This is your page. Let us know what else you would like to see on this page. E-mail pam@c-id.net

SPRING 2011 DIG DISCIPLINES AND GOALS

- The following disciplines will be convening in: **Business, Management, Marketing, Accounting, Studio Art, English, Economics, Computer Systems, Information Systems, Political Science, Music, and Math.** In addition, the "liberal studies" (i.e., "teacher preparation") major be discussed and the relevant C-ID descriptors reviewed. We have planned for meetings in the **NORTH** and **SOUTH** to accommodate more faculty and to reduce travel time as much as possible.

The **goals** of the DIG meetings are:

- Review and provide feedback on existing C-ID course descriptors.
- Review (and modify, if necessary) CSU LDTP course descriptors, which will be incorporated into C-ID.
- Determine, and develop, additional descriptors as needed.
- DIGs will also discuss the composition of the major component of CCC degrees.

REMINDERS

Please ask your faculty to visit <http://www.c-id.net/listserv.html> and sign up for their discipline listservs to ensure they receive information to participate in the development and vetting of degrees in their field.

For reviewing the draft TMC, faculty should go to <http://www.c-id.net/degereview.html> .
