

Update on Approved Courses and TMCs

Presently, 96 CCCs have courses that have been granted C-ID numbers; **2198** approved courses (includes TCSU courses)

Top 4:

- 1) Santa Rosa (109)
- 2) American River (87)
- 3) Hartnell (59)
- 4) Sacramento City College (55)

Welcome: Canada College; College of the Desert; Southwestern College; West Valley College

11 CSU Campuses have identified **996** courses as comparable to C-ID descriptors

212 C-ID descriptors have been approved – in **30** disciplines

24 TMCs; 2 new posted as final **Philosophy** and **Spanish**

Draft TMCs posted: Radio/TV/Film
Watch for TMC postings soon:
Biology

514 AA-T and AS-T degrees approved in the Chancellor's Office (as 12/03/12)

REMINDER: When resubmitting courses with conditional approvals where the **ONLY** change requested was an update to textbooks, and you are using more current textbooks than are reflected on the course outline, please note the updated texts, authors and dates in the comment box on the resubmit page. In this case, you will not have to upload a new COR.

Recent research by C-ID:

- **92%** of approved CORs were approved on their initial submission for review;
- the average time for courses which are approved on first submission (when there are adequate reviewers in place) is **25 days**
