

Course Identification Numbering System (C-ID)

July 2011 – Articulation Officer Update

IMPORTANT UPDATE ON COURSE OUTLINE SUBMISSIONS!!

IMPORTANT CHANGES in the CoR submission process:

- **Effective July 1 CoRs must be uploaded as a word or pdf document OR with a provided link to your curriculum website**
- **The OSCAR option will not be available beginning July 1 for new CoR submissions**
- **Current submitted CoRs to OSCAR for future review for IGETC, CSU GE, etc. are not accessible for consideration for C-ID faculty review, therefore, faculty are often reviewing CoRs that date back more than 5 years**
- **This becomes problematic as CoRs are then **CONDITIONALLY APPROVED** resulting in double work for AOs, C-ID staff and faculty reviewers**
- **It is our goal to have this function available again in Fall 2011; the ASSIST staff is working on a more streamlined access to all CoRs available in OSCAR for C-ID in order to make this process work as efficiently as possible for all!**

If you have a **CONDITIONALLY APPROVED COURSE**:

- You have one year for the CoR to be re-submitted
- Go to the C-ID submission area and click on the tab at the bottom of the page - "View Conditional or Not Approved Courses"
- Your list of courses in this category will appear
- Choose to "edit" the course in order to make the necessary updates for re-submission

C-ID Course Approval Update

- There are 248 approved C-ID descriptors; 35 draft descriptors open for review until Oct. 16; 21 draft descriptors with closed review
- 46 CCCs have approved CoRs
- 239 courses have been granted C-ID identifiers

TMC UPDATE

Finalized TMCs available on the C-ID website include:

Administration of Justice/Criminal Justice
Art History
Business
Communication Studies
Early Childhood Education/Child Development
English
Geology
History
Kinesiology
Physics
Political Science
Psychology
Sociology
Studio Arts
Theatre

Questions and answers are also available at: <http://asccc.org/content/sb-1440-discussion-board>

Faculty CoR (COREs) still needed:

- Faculty Review Discipline Groups (FDRGs) and newly appointed CoR Evaluators (COREs) are being trained this summer for the course outline review process. Group and/or individual training is available.
- Increasing the number of faculty for course outline reviews will result in a more timely CoR submission and response process.
- **If you know of faculty interested in participating as a CORE, please ask them to e-mail info@c-id.net**

DESCRIPTOR DISCIPLINE UPDATE – next review period ends October 16

- Due to the need for more faculty review of descriptors, some disciplines have been re-posted descriptors for faculty vetting to the C-ID website. **IT IS CRITICAL** that the disciplines get more faculty reviews – notices of the re-postings and new draft postings for vetting are sent via the discipline list-serves. Visit <http://www.c-id.net/listserv.html> and sign up your faculty for their discipline list-serves to ensure they receive information to participate in the development and vetting of degrees in their field
- AOs are also welcome to sign up for any discipline list serve so they receive notification of descriptor postings and finalizations
- Descriptors available this summer and early fall for **vetting (until 10/16)**:

Art History (5) re-opened
Biology (14) re-opened
Business (4) re-opened
English (5) 3 re-opened/2 new
Geography (8) continuing
Philosophy (4) continuing
Political Science (6) re-opened
Psychology (1)
Sociology (1)

FUTURE discipline descriptor postings to watch for:

- **Accounting**
- **Computer Information Systems**
- **Teacher Prep**
- **Music**
- **Economics**
- **English (additional descriptors)**
- **Math (majors other than Math)**
