

DESCRIPTOR BASED 4 – YEAR COLLEGE AND UNIVERSITY ARTICULATION UPDATE

- The 4-year descriptor-based articulation is **NOW** available on the C-ID website under the Articulation Officer tab
- This matrix will be updated twice a month
- At present, the following **CSU** campus faculty have articulated with C-ID descriptors for Agriculture, Communication Studies, Geology, and/or Sociology: **Channel Islands, Chico, Dominquez Hills, Fresno, Fullerton, Long Beach, Los Angeles, Northridge, Pomona and San Bernardino**
- Independent Colleges/Universities which have articulated with these descriptors include: **National University, Whittier College, and William Jessup University**

C-ID WEBSITE TECHNOLOGY UPDATE

- The C-ID website has gone through many technology updates the past few weeks. Improvements include:
- IDs and passwords only need to be entered once for CoRs submissions;
- When a TCSU number is inserted on the COURSE REVIEW page, you will be instructed that no additional course information is necessary;
- There is an added capability to delete or update a course;
- You may enter more than one course for a descriptor.

CoR REVIEW PROCESS

- Over 30 CCCs have submitted 800 + CoRs
- Faculty Review Discipline Groups (FDRGs) are presently being updated on the new and improved technology structure for course reviews
- We appreciate your patience!
- Additional FDRG members are needed to participate in the CoR process in all the disciplines for which there are finalized descriptors. Encourage your faculty to contact the C-ID office info@c-id.net

DIG(Discipline Input Group) SESSIONS ENJOY STRONG FACULTY PARTICIPATION
