Overview of By Major changes

More specific “By Major” text has been added that will hopefully help differentiate between articulated courses in ASSIST and courses required by Admissions in their Transfer Selection Criteria.

Approved/Technical electives have been listed in full wherever possible.

New major – **BS Agricultural & Environmental Plant Sciences.**

The following are no longer offered as individual majors, but rather as concentration options in the above program: **Crop Science; Environmental Horticultural Science; Fruit Science.**

BS Agricultural Science

Agricultural Mechanics Concentration has been renamed Agricultural Engineering Technology Concentration.

BS Biological Sciences

Systematics & Biodiversity Concentration has been removed.

BS Business Administration

Management Concentration has been renamed Management & Human Resources Concentration.

International Business Management Concentration is now the International Business Concentration.

Packaging & Logistics Concentration has been added.

BS Earth Sciences

Geology Concentration added.

BS Forestry & Natural Resources

Natural Resources Recreation Concentration has been removed.

BS General Engineering

Biomedical Engineering Concentration has been removed.

BS Kinesiology

All Concentrations and existing Tracks (Exercise Science and Health Promotion; Clinical Exercise Science; Worksite Commercial Health and Fitness) have been removed. Two new Tracks – Exercise Science; Health Promotion; added.

BA Modern Languages and Literatures

Chinese language courses added as an option.

BS Recreation, Parks & Tourism Administration

Sports Management Concentration added.
