Articulation Officers:

Attached please find the following changes to CSU, Chico's curriculum effective with the fall 2014 semester. Our 2014-15 catalog is available online only at www.csuchico.edu/catalog.

Please note that the following majors/options are currently closed to admissions. Interested students should check with the appropriate academic departments regarding the status of these programs.

Kinesiology B.S.—Outdoor Education Option

Linguistics B.A.

Music B.A.—Music Education Option

I will begin formatting and publishing our 2014-15 articulation agreements in ASSIST this summer (after the release of the fall 2014 course lists). You may submit course outlines for proposed articulation to our new courses prior to this summer. If you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn T. Barth".
