VIS 85B - Media Aesthetics (4.00)

If you feel that you teach any of these courses (except courses that must be taken at UCSD), please send me course outlines.

### **Revised Courses & Course Title Changes**

GSS 20 Introduction to Global South Studies (Previously under Third World Studies)

GSS 21 Literatures of the Global South - African literature (Previously under Third World Studies)

GSS 22 Literatures of the Global South - Latin American literature (Previously under Third World Studies)

GSS 23 Literatures of the Global South - Chinese literature (Previously under Third World Studies)

GSS 24 Literatures of the Global South - Caribbean literature (Previously under Third World Studies)

GSS 25 Literatures of the Global South - Middle Eastern literature (Previously under Third World Studies)

GSS 26 Literatures of the Global South – Indian Subcontinent literature (Previously under Third World Studies)

VIS 11 - Introduction to Visual Culture (Previously Introduction to Visual Arts)

VIS 20 - Introduction to Art of Europe and America (Previously Introduction to Art History)

VIS 23 - Practicum in Art History (Previously Information Technologies in Art History)

VIS 84 - Film History (Previously History of Film)

**Courses deleted from the UCSD curriculum effective Fall 2021**

CSE 5A Introduction to Programming I (4.00)

LTFR 50 - Intermediate French IV: Textual Analysis (4.00)

LTKO 3 - Advanced Korean: Third Year (5.00)

LTSP 50A - Readings in Peninsular Literature (4.00)

LTSP 50B - Readings in Latin American Literature (4.00)

LTSP 50C - Readings in Latin American Topics (4.00)

NANO 1 NanoEngineering Seminar (1.00)

**Revised Major/Department Names**

Herbert Wertheim School of Public Health and Human Longevity Science (Previously Family and Preventative Medicine)

**Discontinued majors effective Fall 2021**

Chemistry and Biochemistry: Biochemistry/Chemistry B.S.

Computer Science B.A.

Environmental Engineering B.S.

Earth Science B.S.

Math: Scientific Computation B.S.

**New Majors/Minors effective Fall 2021/Winter 2022**

Business Economics B.S. Joint program between Economics and Rady school of Management

Entrepreneurship and Innovation Minor: Rady School of Management

Finance Minor: Rady School of Management- Effective Winter 2022

Geosciences B.S. (Under Scripps Institute of Oceanography)

Technology, Innovation and Supply Chain Minor: Rady School of Management

**The following majors had some changes:**

**Accounting/Business Minor:** Lower Division minor preparation changes.

**Anthropology:** Major description text changes.

**Chemistry/Biochemistry:** Chemistry and Biochemistry: Biochemistry/Chemistry B.S. major discontinued.

**Chinese Studies:** Major description text changes. Website link has been updated. <https://chinesestudies.ucsd.edu/undergraduate/major.html>

**Computer Science & Engineering:** Discontinued Computer Science B.A. Major. Removed CSE 5A from curriculum. Added CSE 6R (See new courses section above). Added BILD 3 as option to lower division major preparation for Computer Science B.S. major.

**Earth & Marine Sciences (SIO):** Discontinued Earth Sciences B.S. Major. New Major - Geosciences B.S. Major description text changes.

**Economics:** New Major - Business Economics B.S. Joint program with Rady school of Management.

**Electrical Engineering:** Major description text changes.

**Environmental Systems:** Major description text changes.

**International Baccalaureate (IB):** Updated web page link. <https://catalog.ucsd.edu/files/international-baccalaureate-credits-chart.pdf>

**Literature:** Major Description text changes.

**Mechanical & Aerospace Engineering:** Lower Division requirement changes. Added Highest level of introductory computer programming language course offered at the community college

in Mechanical and Aerospace Engineering majors. Major Description text changes.

**NanoEngineering:** Lower division requirement changes. Removed NANO 1 NanoEngineering Seminar from NanoEngineering Major.

**Public Health:** Major description text changes. Revised department name - Herbert Wertheim School of Public Health and Human Longevity Science (Previously Family and Preventative Medicine)

**Rady School of Management:** New Major - Business Economics B.S. Joint program with the Economics department. Lower division requirement changes. Added MGT 16 Personal Ethics at Work and MGT 71 Operations Management to Business minor. New Minors - Finance Minor: Rady School of Management, Entrepreneurship and Innovation Minor: Rady School of Management, Technology, Innovation and Supply Chain Minor: Rady School of Management

**Theatre and Dance:** Major description text changes. Websites addresses updated for all majors.

**Urban Studies & Planning:** Lower Division requirement changes. Added POLI 30 as alternative option for major but must be taken at UC San Diego after transfer. Major description text changes.

**Visual Arts:** Lower division Major preparation changes in ALL majors. Major description text changes. Curriculum changes (See course additions/revisions above)
