7. All additional breadth requirements (or IGETC certification, beginning fall 2011). See the breadth section of the Architecture major within ASSIST.

COLLEGE OF LETTERS & SCIENCE**Integrative Biology, B.A.**

See notices regarding AP scores:

Biology AP: a score of 4 or 5 satisfies UCB Biology 1A and 1B, however, students are encouraged to take actual coursework, particularly if applying to graduate or professional school programs.

NOTE: Effective Fall 2012 AP scores for Biology and Math will not satisfy the Integrative Biology major prerequisite.

 Although this major requires only one semester of calculus, it is **strongly recommended** that students continue with the sequence, particularly if they intend to pursue studies in graduate or professional school.

NOTE: Effective Fall 2012 AP scores for Biology and Math will not satisfy the Integrative Biology major prerequisite.

Mathematics/Applied Mathematics, B.A.

A reminder that the notice regarding Math 55 is now in effect:

Effective **Fall 2010**, Math 55 (Discrete Mathematics) is a lower-division requirement for the Mathematics and Applied Mathematics majors.

However, Math 55 is not required for admission. If your college offers an articulated course we will accept it, however, we recommend that you complete MATH 55 at Berkeley in your first semester.
