

# SB 440 Passes Assembly Committee

The recently amended [8/5/13] version of SB 440 passed the Assembly’s Higher Education Committee on an 11 to 0 vote. Please refer to the following link for the revised copy of the legislation:

[http://leginfo.ca.gov/pub/13-14/bill/sen/sb\\_0401-0450/sb\\_440\\_bill\\_20130805\\_amended\\_asm\\_v96.pdf](http://leginfo.ca.gov/pub/13-14/bill/sen/sb_0401-0450/sb_440_bill_20130805_amended_asm_v96.pdf)

The most contentious discussion was regarding the creation of Associate Degrees for Transfer in Areas of Emphasis. It appears the “all concentrations” language in the original bill was modified to allow the reasonable exclusion of concentrations that will not work within the 60 unit guarantee:

*(4)A California State University campus shall accept transfer model curriculum-aligned associate degrees for transfer in every major and concentration offered by that California State University campus that meets the requirements of paragraph (1). A California State University campus shall additionally make every effort to accept transfer model curriculum-aligned associate degrees for transfer in each of the California State University concentrations.*

# *How to Respond to a Request for a Syllabus— An Important Message from Your Articulation Officer*

---

Hello Mesa Community,

Welcome Back!

Many four-year colleges, universities and former students may request to receive a course syllabus from you. The reason for the request is usually due to the need for an evaluation of a course for equivalency in meeting an academic requirement in a major or for graduation.

Within the California Community College system, the official document that is used to appropriately evaluate courses in meeting an academic requirement is the course outline. The course outline is the document that is used by Articulation Officers in establishing and maintaining articulation agreements as it includes all of the necessary components required for an institution to appropriately make articulation decisions.

We are currently challenged with establishing and maintaining articulation agreements. Several courses have been denied articulation due to the use of the syllabus by four-year colleges and universities in making course equivalency/articulation decisions. Information contained in our syllabi varies and often lacks the necessary content required for course equivalency/articulation evaluation.

I respectfully request that you do **not** provide a syllabus to anyone other than students enrolled in current course(s). If a request for a syllabus is received, please direct the individual to CurricUNET <http://www.sdccdcurricu.net/sdccd2/> to obtain a course outline. Active course outlines are available to the public without the need for a user name or password. You may also re-direct requests to Claudia Cuz-Flores or me in the Articulation Office. For tracking purposes, please copy me in your message when responding to a request for a syllabus.

Thank you so much for your continued contribution to articulation efforts. I truly appreciate your support over the past years.

Juliette
